Farmer Ends Life With Pistol Bullet In Heart

Our Town

By J. B. White

The Houston Post remarks editorally that "unfortunately, there are too many of two kinds of people—congenital pessimists and inherent optomists—and both, in the extremity of their opinion, have been profoundly impressed by the NRA." The natural consequence of such extreme opinion is described as "a sour wagging of heads by the chronic crepe hangers and a lot of joyful rope skipping by the children of sweetness and light, both being premature."

"To those who neither considered the new deal dammed at the outset nor felt that it was the millennium," the Post declares there is "much assurance and satisfaction" and counsels sober-thinking people to "stop and take stock." Reports from thoroughly reliable sources, which none has denied, show very conclusively "neither a dark promise that the country is headed for the abyss nor a bright promise that a new Golden Age will dawn with the morrow, but there is sufficient indication of ultimate recovery to moderate the fallacious opinions of the extremists, so that they may share with the average American a spirit of increased faith."

It summarizes that upwards of 4,000,000 men have been returned to living wage; that the total pay rolls in reporting factories increased from $1,156,000,000 last March to $1,468,000,000 in September, a rise of about 30 per cent. Prices have risen 12 per cent, thus reducing the net wage raise to 18 per cent. An increase of 27.9 per cent in the employment index from a year ago is of record, with an attendant rise of 43 per cent in factory pay rolls, which amounts to $40,000,000 more in weekly envelopes. Automobile sales increased 150 per cent, and other increases in commodity consumption were: Wool, 210 per cent; cotton, 115 per cent; pig iron, 245 per cent. Business failures fell from 503 in the last week of October 1932 to 257 for the last week in October 1933, compared with the 5 year average of 457 per week for the period 1928-1932. And farm prices in October and early November are steadily ascending, wheat being around 81 cents from 45 cents a year ago. In the same period cotton has come up from 6.4 to 9.9, oats from 26 to 46, rye from 47 to 80, with a crop shortage due.

"There you have a picture of progressive recovery, slow but steady," says the Post, and adds: "Recall what the President said: 'Our troubles will not be over tomorrow, but we are on our way.' What is needed is not extremists, either ballyhoo boys or mourners at the national bier, but Americans with patience, forever firm in the faith."

LOW WATER DAMS TO CONSERVE SUPPLY

A far reaching benefit in the conservation of moisture and water supply, is seen in the announcement of plans for low water dams in streams in this section.

J. W. Chapman, with the Agricultural Department of the Federal Government, will address the Chamber of Commerce Monday night on this proposed engineering program for Central Texas.

Mr. Chapman has the backing of the federal government and these dams are to be builded with government funds. Co-operation of the Commissioners' Court will be asked.

Mr. Chapman was in Cameron last week and visited with Stanton Dossett who presented the matter to the club.

Mr. Chapman, an engineer, has done extensive research work, much of it from the air, charting water sheds and making surveys of streams in Texas. The work would take into consideration much surface improvement together with elimination of obstructive timber growths.

Vet Murder Suspect

Here is Will Querner, railroad employe charged with murder after the broken body of Dr. A. M. Clifford, Temple veterinarian, was found near that city. Querner two months ago married the woman who ran the rooming house where Clifford lived many years. He blamed Clifford for her desertion.

THORNDALE CONSTABLE FREED BY GRAND JURY

Gus Miertschin, constable at Thorndale, charged in connection with the death of Henry James, High school youth and brother of Representative Jesse James, now a resident of Cameron, was not indicted by the Grand Jury which adjourned here Thursday morning.

W. D. Burkhart, cafe owner at Thorndale, has been indicted by a Grand Jury in Williamson county for the death of young James and has been released on $6000 bond.

The Grand Jury in session for 8 days returned 26 felony indictments and seven misdemeanor indictments.

Simon Hernandez, Mexican, has been arrested on an indictment for rape and Henry Jones has been arrested on an indictment charged with assault with intent to murder.

ROCKDALE MAN BELIEVED DROWNED IN MISSISSIPPI

Ed Sims and Conn R. Isaacs, uncles of Kelley Phillips, who was reported drowned in the Mississippi river near Gulfport Thursday night, left for Mississippi Monday. O. K. Phillips, father of the lost man suffered a stroke of paralysis about 2 weeks ago and was unable to make the trip.

Kelly Phillips, age 32 years, a native of Rockdale, left there for Vicksburg, Mississippi, two months ago where he was given a position by the government as transportation foreman.

The message received by his family Friday night stated that it was thought that young Phillips had fallen overboard from a government boat.

$480,110 Received By Farmers in Plow Up Money For County

A total of $480,110 has been received by the farmens in Milam county from the United States Government in payment of cotton acreage leased and plowed up to improve the price.

According to Geo. Banzhaf, county agent, there remain to be received in the county 120 plow up checks. A total of 2435 checks have been received to date by the farmers and distributed through the offices of Mr. Banzhaf.

Northern Publisher Visits In Cameron

Frank Harper, publisher of the West Bridgewater Register in Massachusetts, was a visitor in Cameron Saturday. He was on his way to San Antonio with Mrs. Harper to visit with relatives. Conditions in Massachusetts, he said, had shown only slight improvement and the publishing industry was suffering the fate of all business.

Mr. Harper was a visitor in the plant of the Cameron Herald to exchange greetings with the editor.

MASS RE-EMPLOYMENT WILL NOT BE MADE

Mass re-employment in Milam cuunty on Civil Works projects authorized by the government in Washington has been halted due to the difficulties in investigation of each case of individual registration.

Preference was given to those already on the relief rolls where case records had been completed by the local offices of the employment bureau.

Previous instructions that preference should be given ex-service men on all public works for re-employment, was expected to take precedence in placing men for work.

Registration of several thousand men for work was completed this week.

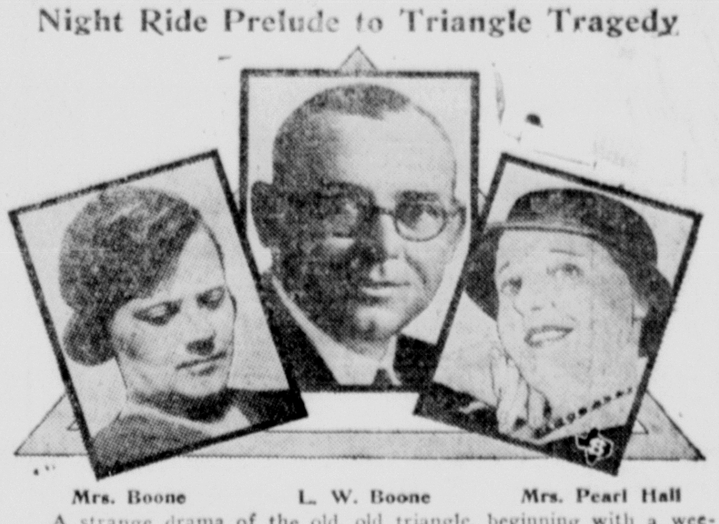
J. P. Love, federal administrator, was in Austin Tuesday and Wednesday attending a meeting called by the Texas Relief Commission. While actual placing of men on public works was held up, it was expected that within the next week or ten days all eligible men would be on jobs and earning pay specified by the relief commission on authority from the Washington government.

Instructions from the Texas Relief Commission were at first construed to embrace all unemployed men. Placing of men on these civil works projects was contingent on case records being made on each applicant. This will require more time than was at first contemplated. Patience was asked for by those in charge of the relief work administration in Milam county.

WESTERN UNION SUED

Adolph Krenek has entered suit against the Western Union alleging failure to deliver a death message. Hilton Howell of Waco is representing the telegraph company in the case now on trial in District Court. E. A. Wallace and B. P. Matocha of Cameron are representing Krenek.

Night Ride Prelude to Triangle Tragedy



Mrs. Boone — L. W. Boone — Mrs. Pearl Hall

A strange drama of the old, old triangle, beginning with a wee-small-hour ride, has ended wtih Mrs. L. W. Boone passing judgment upon an alleged rival for the affections of her husband by shooting Mrs. Pearl Hall to death as the husband looked on. Mrs. Boone, with the aid of a friend, lured Mrs. Hall to the Boone apartment in Dallas at 3:30 in the morning. "Hello, Dan," said Mrs. Hall. "She knows all." Mrs. Boone fired and Mrs. Hall slumped to the floor. "Goodbye, Daddy," she murmured, and died. The Boones have an 8-year-old boy. Boone is a Dallas business man.

SPECIAL TRAIN WILL TAKE FANS TO BRENHAM

The Santa Fe will operate a special train to Brenham carrying Cameron fans and players to the Cameron-Brenham game to be played at 8 o'clock Friday night. The train will leave the Santa Fe station at 5:30 and will arrive at Brenham at 7:00, returning will leave Brenham at 10:15 and arrive at Cameron at 11:45.

Round trip fare $1.25 and tickets can be purchased only through Cameron school authorities or their representatives. Minimum of $200 is is necessary to make the train possible but ticket sales to date indicate that this amount will be realized.

Brenham citizens have offered cars to transport the Cameron crowd from the station to the playing field a distance of about a mile.

YOEMEN UPSET DOPE WIN FROM BRYAN

Throughout the first half Cameron played one of the most perfect tie games of the season with Bryan. The two teams fought up and down the field, crushing each other with power plays and line plunges like two opposing battering rams with neither team gaining an inch.

Once the Yoemen drove Bryan back to the ten yard line but Canady and Tuch, Eagle defensive players, stopped Cameron on the dotted line. The third quarter was a raging battle of desperate hopes, each team trying to crush the other with some measure of defeat. At this time Gilbert and Avriett came to the front to give Cameron fans a spectacular display of defensive work which probably saved Cameron from a bitter defeat.

In the last quarter a pass to Gilbert placed the Yoemen again in a scoring position on Bryan's fifteen yard line. Then Captain Terry pulled a very stragetic play. Finding that he couldn't go through the Bryan line or around it, he decided to go over it; and a pass over the goal to Graham settled the issue for once and all, Cameron winning 6 to 0.

FIKES FAMILY WILL CELEBRATE IN CITY

M. L. Fikes, 84, of Cameron, who has one of the largest families in Texas, with Mrs. Fikes, plan to celebrate Thanksgiving this year with a family reunion.

It is customary for the Fikes family to have a reunion on November 28th which is Mr. and Mrs. Fikes birthday.

Mr. Fikes was born in Bibb county, Alabama. He came to Milam county in 1864 and settled near Yarrellton, 11 miles northwest of Cameron. He later moved to Cameron.

Mr. Fikes has been married three times and has 20 children living and three dead. No children were born during his first marriage. He has 13 children by his second wife and 10 by his third wife, who is 59. He has 66 grandchildren and 92 great grandchildren, a total of 158.

Club Borrows Funds To Pay Right of Way

Resoursefuness of Secretary Cobb of the Chamber of Commerce is demonstrated in his latest service to the organization. He obtained a loan from Citizens National Bank and paid to the county treasurer $678.65 for settlement of the cost of lands owned by Bauer and Baskin on Highway 44.

By paying this amount all obstacles have been cleared and work should begin on the road from Elm Creek to Burlington within a short time. The loan at the bank is to be paid by the Chamber of Commerce at the rate of $40 with interest.

Since the making of the note $110 has been collected from generous citizens to apply.

Yoe High Forfeits All Games Played When Inelligible Player Is Found; Other Teams In District Also Penalized for Same Offense

At a meeting of the District Committee of District 20 of the University Interscholastic League held in Bryan last Tuesday night Scarborough of Caldwell was declared ineligible under the eight semester rule and penalty assessed against Caldwell was the forfeiture of all games in which Scarborough had played.

Philip of Caldwell was also found ineligible for the participation in the Hearne game because he had not been in school thirty days prior to this game.

Martin and Olbrich of Rosebud were both found to be ineligible under the eight semester rule and Rosebud forfeited all games in which these two players participated.

Following up charges brought against Cameron at the meeting it was discovered by the Cameron school authorities on Wednesday that W. E. Branstetter was also ineligible under the eigth semester rule. He had his eighth grade work in the Briary school in 1929-1930 and repeated the eighth grade work at Cameron in 1930-1931. Without action by the Committee Cameron voluntarily accepted the penalty of forfeiture of all games in which Branstetter participated which means every game played during the season.

It is not believed that these rulings will in any way affect the outcome of the district championship, but the thoroughness of the investigation made by the district chairman followed by the infliction of penalties against offending schools is certain to have a wholesome effect on football throughout the district.

JOE ONDREJ FOUND SHOT IN BED AT FARM HOME

Joe Ondrej, 46, farmer living near Silver City north of Cameron was found dead in his bed at 3:30 p. m. Wednesday by Mrs. Ondrej who had returned home from a shopping trip to Cameron.

Beside her husband Mrs. Ondrej found a small calible pistol and a fatal wound in the body. He had been shot through the heart and had been dead for several hours, it was said.

Justice of the Peace Gus Evans held an inquest in the home and rendered a verdict of suicide. The body was brought to Cameron in a Cole-Eplen ambulance. No announcements had been made of funeral arrangements.

Ill health was assigned by members of the family and neighbors as the probable cause of suicide, it was said. Mr. Ondrej had been in ill health for about 3 years, suffering almost constant pain from rheumatism.

When Mrs. Ondrej returned home from Cameron she went to the bed room of her husband and found him still in bed. By his side lay a pistol. Powder burns were found on the left breast. Officers said Ondrej had drawn his underclothing away from his breast and placed the gun barrel close to the heart and pulled the trigger. He left no word to explain his act. During recent weeks he had been suffering unusual pain from rheumatism and was despondent, it was said.

Mr. Ondrej owned his own farm near Silver City, having purchased the land a few years ago. He is survived by his widow and a number of children, the eldest being a son.

Salty Couple Observe 67th Wedding Date; New York Broadcast

Mr. and Mrs. A. J. Jackson of Salty, parents of Mrs. B. F. Pugh of Cameron, celebrated their 67th wedding anniversary Monday, November 20th. They have 12 living children, 71 grandchildren and 73 great grandchildren.

Mr. Jackson many years ago organized the Salty Singing Convention and presided over it at its regular quarterly gatherings, and last Sunday both attended the meeting, and were given an ovation when they entered the assembly room. A New York City broadcast gave announcement of their 67th wedding celebration.

Clarence Jackson, son of Mr. and Mrs. Jackson, is now president of the convention. They will meet in quarterly convention the third Sunday in February in San Gabriel.

Yarrellton To Meeks Road Project Approved

Approval of plans to hard surface the road from Yarrellton to Meks was made by the Commissioners' Court here Monday, it was announced at the night meeting of the Chamber of Commerce.

Judge Jeff T. Kemp met a delegation of citizens from that community who requested the project be submitted for aid from the federal government. Jobless men would be used on this road.

The project was approved by the club and recommended. The club voted to cooperate with the Temple Chamber of Commerce to get this road project approved.

PRESS CLUB ANNOUNCED AT YOE HIGH SCHOOL

The Press Club under the sponsorship of Misses Jolly Blanche Pitts, Helen Flinn and Louise Lanham, teachers at Yoe High school, has been organized with 37 members. President, William Slaughter; Vice President, Miss Theresa Manning; Secretary, Jack Avriett; Treasurer, John S. Burns; Parliamentarian, Frank Newton. They are putting out a school paper called "The Anchor" with C. W. Gjedde as Editor in chief; Charles C. Smith, Jr., as managing editor; Robert Henslay, sports editor; Bettye McCullum, society editor; Business Manager Hubert Luckett; Faculty Advisor, Louise Lanham; Faculty Sponsors,Helen Flinn, Jolly Blanche Pitts and T. A. Fisher.

There has never been as much interest in the clubs of Yoe High school as is being taken in this year's team. A Spanish Club was organized with Mrs. Posey as sponsor; Latin Club, Miss Ethel Skelton; Girls Athletic Club, with Mrs. Cecil Culpepper and Miss Louise Green as sponsors. Boys Athletic Club, Haynie and Hicks are sponsors. Girls Reserve Club has Misses Katherine Robbins and Dallie M. Young as sponsors. Boys Hi-Y with Guy T. Newton as sponsor. The Future Farmers Club has A. C. Strickland as teacher and sponsor. The Collectors Club has Miss Lucille Dickard as their sponsor.

Many of the students of Yoe High school are from rural communities. Each year brings new students in, and this year more than half of the graduating class are from rural districts. There are in opeation five bonded bus lines bringing students in every morning, in addition to four passenger cars transporting students under the provision of the State transportation laws. The legislature very wisely made a provision for the transportation of these children at state expense when the district itself is unable to pay the cost, thereby giving students from the rural schools equal opportunity with the town children.

War Veterans' Problems

Not since the period of the World War has the Red Cross faced a greater problem in handling the claims of World War and other veterans. Due to the changes in the regulations covering veterans' claims, chapters all over the nation have been crowded with veteran applicants for relief and for service in preparing appeals. During last year Red Cross home service workers in 3,268 chapters dealt with the problems of 411,124 ex-service men or their families. The chapters also aided 7,346 men still in the regular army, navy and marine corps.

Safeguarding Public Health

The Red Cross reports that 693 nurses are employed by 428 of its chapters in public health nursing. During the past year Red Cross nurses made 1,234,000 nursing visits, other than to schools, and also inspected 633,000 children in schools. Nursing at the bedside of the sick, unemployed, or other needy is a major part of their work. The Public Health Nursing Service of the Red Cross also directs the teaching of classes in Home Hygiene and Care of the Sick. This course was taught to 53,000 persons during last year.

An Army of Children

The membership in the Junior Red Cross last year was 6,629,866 boys and girls in schools, private, public and parochial. They enjoyed volunteer work in hospitals and for orphans, the aged and crippled, and also aided their schoolfellows by providing attention for their eyes, purchasing their glasses, and giving many other types of service to them. The Juniors aid their school work by carrying on correspondence and the exchange of portfolios with school children in other nations.

The Red Cross enrolled 3,701,866 members in its roll call a year ago. Join in the 1933 roll call—Armistice Day to Thanksgiving Day.

Weather No Obstacle To Food Growing

A proof that leafy vegetables grow in spite of dry weather conditions is demonstrated by Nadine Loftin, a Davilla 4-H Club girl. Cabbage, spinach, onions, beets, turnips and radishes are among the vegetables found in her fall garden.

Demonstrators for the 1934 4-H garden work enrolled are as follows: Nadine Loftin, Davilla; Vivian Kirk, Marlow; Dorothy May McQuary, Friendship; Etoil White, Briery; Norma Kuzel, Corinth; Mary Alice Modesett, Sharp; and Christine Jenkins, Minerva. At present Milano and Gause Clubs have not enrolled demonstrators.

METHODIST MISSIONARY

Members of the Friendly Bible Class of the Methodist Sunday school enjoyed their regular monthly meeting Friday afternoon in their class room at the church. Mrs. Walter Cannan brought the devotional, followed with a program that featured an old fashioned catechism on the laws and usages of the Methodist church.

At the conclusion of the program they enjoyed sandwiches, cookies and a hot drink.

Smart buyers ARE PUTTING ON NEW GOODYEARS Now!

FIRST for non-skid safety and protection against trouble on winter's slippery, darker, colder roads.

SECOND for greater mileage. New rubber wears longer on cool roads. Goodyears put on now will still be almost new next spring.

THIRD for low-cost economy. Most Goodyears today are still lower-priced than a year ago.

Good reasons, these, for buying now. Why not trade us your troubles before they happen?

Most sizes as low-priced as a year ago—yet you get a 20% thicker tread with Full Center Traction and greater mileage.

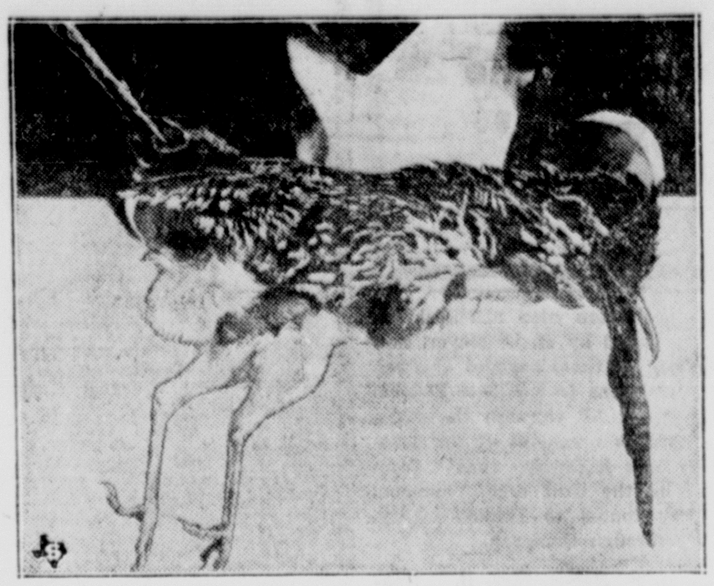
Picture Proves Ancient Texas Legend True



One of the Southwest's moot questions has been settled for all time. Legend tells that chaparral birds, or paisanos, or road runners, as they are sometimes called, are natural enemies of rattle snakes. The bird pictured above, caught by dogs on the farm of J. C. Carraway near Robstown, Texas, proves the story, for six inches of an 18-inch rattler dangled from his beak.

Wins Carnegie Medal

A bronze medal and $1,000 cash has been awarded to W. J. McIntosh of Galveston, Texas, pictured above, by the Carnegie Hero Fund commission of Pittsburgh. McIntosh saved three little children from drowning in the Gulf of Mexico on August 28, 1932, to win the honor. He is a well known figure on Galveston beach.

A Good Citizen

A good citizen is one who supports his Government, as well as the forces for the upbuilding of his Home Town. We want the co-operation of every citizen of this community in increasing the efficiency of the power and light facilities in every direction, for only by the co-ordination of our efforts and by the support of our patrons can the Texas Power & Light Company succeed.

The public requires service to the end that the community may grow, develop and prosper. Without the service furnished by a proper, adequate, up-to-date system of electric power and light, no community can develop as it should. You are interested in the prosperity and consequent growth of your electric light and power system in order that your community growth and development may not be retarded.

As a Public Servant, with a whole community to serve, the Texas Power & Light Company recognizes that it has a public trust to discharge. It realizes that while the Company and the public have mutual obligations, the rights of the public must come first.

This Company is proud of the property as it stands today. It represents an achievement of thrift, good management and progressiveness. It thinks you should be proud of your electric power and light system. It believes that you are, and that every citizen who is open-minded and fair will be glad to help us rout ill with candor, confront prejudice with facts, and in the friendliest spirit help us face problems which only cordial co-operation can solve.

ENOUGH MONEY FOR HUNGRY SAYS POAGE

Senator Bob Poage of Waco was in Cameron Saturday. While here he released for publication a statement covering his views on a proposed call of a special session of the Legislature to increase the amount of bond money allotted for bread to hungry at the last special session.

He says that the $5,500,000 authorized when matched by an equal amount from the Federal Government will make $11,000,000 and that amount is sufficient. His statement:

I am in receipt of your letter regarding the appropriation by the legislatue for relief purposes in this state, and I note with alarm what you say concerning the statement made at the first meeting of the Relief Commission that the legislature intended that the $5,500.00 appropriated by it should only last until the first of next March.

I certainly cannot subscribe to any such view, and I am glad to find that you do not. As I see it, this appropriation, which, taken with the promised federal funds, provides for $11,000,000 for relief purposes, should be adequate for the life of the Commission. Eleven million dollars is a tremendous sum of money, and represents the savings of many thousands of our citizens. It is to be taken from our citizens by taxation and to be given to the more unfortunate. In doing this, I recognize and concede the duty of the State (society as a whole) to care for those, who through no fault of their own, are unable at this time to support themselves and families, but we must not overlook the duty of the state to deal as tightly as possible with those who are providing for relief.

I do not think that any of this money should be used to advance any social theories or conduct any economic experiments. It should be used solely to relieve destitution, and for no other purpose, and if its use is so restricted, it will go a long ways and last a long time. I do not mean by this that I would not have the relief funds expended in such forms as would result in the creation of permanent improvements, because I think they should be so expended at every possible opportunity, but I think the giving of relief is the primary and controlling element. I think that every able-bodied man, who applies for relief, and who proves himself worthy, should be given an opportunity to relieve himself through work and a dole should only be given to those who are unable to work, nor should it ever be possible for anyone to make a better living on public charity than by ordinary private employment.

I appreciate your interest in the work of the Commission of which you are a member, and I repeat that it is my unqualified opinion that both the legislature and the people of this state are expecting your commission to keep a close check on all expenditures and to make the money heretofore appropriated last until we return to normal conditions in this country.

The truth is that unless we handle our public funds sparingly, the very people who are now providing the relief funds, through their payment of taxes, will soon be on the relief rolls themselves.

Yours very sincerely,
W. R. POAGE, Senator,
13th District.

Side Quit Hurting, Got Stronger, Well; CARDUI Helped Her

WOMEN! Get rid of the handicaps of a weak, debilitated condition with the assistance of Cardui.

Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition — this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."

Cardui is sold at drug stores here.

CAMERON COLORED HI IN TIE WITH WACO

Cameron Colored High upset dope as they were rated very low against the strong Moore High eleven of Waco, as they gain a 6-6 tie.

R. A. Sanders, C. H., Q. B., was the grid hero in the crucial game Saturday night November 18, between Cameron High and Moore High of Waco. Spectacular running and blocking features the game with the Lions.

In the second quarter of the game after placing the ball on the 20 yard line by a series of line smashes, he twisted and whirled his way through a mob of Waco tacklers for the Bulldogs lone score of the game.

The underrated Bulldogs proved their power by playing in their off territory all but the last few minutes of play, when the Lions gained the ball in their territory and passed their way for a touchdown. Both teams attempted to add the extra and winning point by linebucks but failed. Both lines showed considerable strength. Other outstanding player for Cameron was Eunice (Capt.) Daniels, R. T., who played in the Lions back field most of the game. Malone, Griffin, Bacey, Keith and Thomas also played a good brand of ball.. Freeman, King and Smith were outstanding for Waco.

Miss Florence Butts of Austin was a week end guest of her parents Mr. and Mrs. N. H. Butts.

Take a Pinch of BLACK-DRAUGHT For *Distress After Meals*

He had suffered distress after meals, but by taking Thedford's Black-Draught he was relieved of this trouble, writes Mr. Jess Higgins, of Dawsonville, Ga.

"I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Thedford's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

Plans Made For Hard Surfaced Road

County Judge Kemp and a delegation of citizens including Commissioners met the highway commission in Austin Monday to urge plans for hard surface on Highway 36 from Milano to the Burkeson county line. C. M. Beard of Milano, former representative and good roads enthusiast, has contributed much to formation of pans for this improvement.

The delegation also attended a meeting called by H. C. Meyer, now a member of the Board of Control, to further plans to complete Federal Highway No. 77 through the state. Mr. Meyer is president of the association. This highway runs from Canada to the Gulf and connects with key routes to Mexico City, passing through Cameron.

Negro Schools Meet In Football Friday

Cameron Colored High will meet the strong Colored High team of Taylor at the Yoe High athletic field Wednesday night, November 29.

The Bulldogs are going through strenuous workouts preparing to meet the strong Blackshire High Tigers, their oldest rivals.

Taylor is being one of the strongest teams of the southwestern section to Cameron.

The game is doped to be a battle between the querter backs, as both teams boast a strong running attack of line.

The clash promised to be filled with thrills and breath-taking moments as it brings two outstanding sectional teams together.

ESTABLISH MARKET FOR FARM PRODUCTS

Interest in the sale of farm products is widespread, according to Miss Zetha McInnis, Extension Specialist in Home Industries A. & M. College in presenting the marketing program to 29 members of the County Home Demonstration Council Thursday, November 16th, at a special meeting held in Cameron. At present there are eight Farm Home Maker's Markets operating in Texas under the direct supervision of farm women.

A general study and surveys of these markets are being made as a basis for establishing a market in Milam county. Representative groups expect to visit Washington County Market located in Brenham in the near future.

The established market will be sponsored by the County Home Demonstration Council under the supervision of a Marketing Committee and Manager. The marketing committee, appointed by Miss Ethel McKinney, council chairman, consists of the following members: Friendship, Mrs. Guido Gersbach, Chairman; Corinth, Mrs. Fritz Graser; Ad Hall, Mrs. D. K. Hall; Bethlehem, Mrs. Earl Leach; Briary, Mrs. W. B. White; Bryant Station, Mrs. Lely Moore; Davilla, Mrs. Bruce Jennings; Duncan, Mrs. Paul Barthett; Gause, Mrs. D. Key; Jones Prairie, Mrs. S. M. Harrel; Hanover-Liberty, Mrs. M. A. Taylor; San Gabriel, Mrs. W. H. Camp; Clarkson, Mrs. Walker Cox; Curry, Mrs. Geo. Leath.

At an early date sub-committees will be appointed to investigate possible location and equipment necessary for its operation, study the pure food and drug law of the state, investigate local city ordinances regarding sale of food, and to study systems of operations.

Definite plans as to the opening of the market have not been made.

Why Liquid Laxatives Do You No Harm

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. *Nor will a mild liquid laxative irritate the kidneys.*

The right liquid laxative will bring a perfect movement, and with no discomfort at the time, or afterward.

The wrong cathartic may keep you constipated as long as you keep on using it!

An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly *safe*. Its laxative action is based on senna—a *natural* laxative. The bowels will not become dependent on this form of help, as they do in the case of cathartics containing mineral drugs. Ask your druggist for Dr. Caldwell's Syrup Pepsin. Member N. R. A.

AGAIN Schlitz IS FIRST

22 Years Ago in Brown Bottles Now... in Enzyme Control

SCHLITZ introduced the famous Brown Bottle 22 years ago—and told the world that beer in white bottles exposed to sunlight for three minutes took on a skunky taste and became undrinkable.

Other brewers hooted and stormed but continued with their white bottles and—continued to lose sales to SCHLITZ.

Now, many prominent brewers have adopted the Brown Bottle—thus admitting the scientific truth and compelling force of SCHLITZ statements—which had made such an indelible impression on the public.

BUT—as sensational as the Brown Bottle advertisements were, they are dwarfed by the latest announcement of SCHLITZ that they have solved a problem which has puzzled the industry for years—and that is Enzyme Control in the brewing processes.

Enzymes digest malt, hops and yeast into solution. Unless the enzymatic activities are controlled skillfully—the result is a rank, indigestible beer.

SCHLITZ is brewed to a split second under a secret enzyme control—it is fully fermented at the brewery. It cannot ferment in your stomach to cause indigestion, flatulency, or discomfort otherwise. Try it today!

10c CUT IN TELEPHONE CHARGES ANNOUNCED

Dallas, November 17.—A reduction from 25 to 15 cents a month for handset telephones in all Southwestern Bell exchanges in Texas effective December 1 or the first billing date thereafter was announced today by W. L. Prehn, general manager for Texas. The statewide handset reduction will effect users of 90,000 handsets and will mean a saving to them of more than $108,000 a year.

"During the last thirty days we have agreed with city officials in several Texas cities that 15 cent hand set rate would be made effective," Prehn stated. "This action followed orders issued by the state commissions in Missouri, Kansas and Oklahoma, in which the Southwestern Bell operates, and many other state commissions, reducing the hand set rate to 15 cents per month.

"Our revenues have declined substantially during the past few years, and we are in no position to make reductions, but we feel that our customers in Texas are entitled to the same treatment afforded those in other states in which we operate. In view of its depleted revenues, the ability of the Telephone Company to meet the added burden created by this handset reduction will depend in a large measure upon the speed of business recovery," Prehn stated.

"The handsets cost us $4.32 more than the desk telephone and involve additional reccurring charges of $1.73 a year. These charges include additional taxes, extra maintenance and depreciation and interest on the additional investment. Then, without an additional charge it is apparent practically everyone would want a handset, which would mean virtually throwing away several hundred thousand good desk sets," Prehn pointed out.

"The Telephone Company maintains that handsets are not essential to good telephone service, are in the nature of a luxury item, and that the cost of rendering the extra service should be paid for by those enjoying it, rather than by the customers generally," Prehn said.

The hand set was first introduced to Texas in 1927. The original charge of 50 cents was made to offset extra costs, and also to prevent the premature retirement of too large a number of desk telephones. In 1928 the 50 cent rate was voluntarily reduced to 25 cents, a figure thought to approximate the additional costs of rendering handset service at that time. Improvement in manufacturing methods and the gradual extension of handset equipment now make it possible to render this service at 15 cents a month.

As Work on Big Texas Observatory Begins

Here are the first views of construction work just begun atop Mount Locke, Davis Mountains of West Texas, on the Mount Locke Astronomical Observatory, which will be the second largest in the world. In the picture are several members of the construction company which will build the observatory, and at the right is Prof. G Van Biesbroeck, astronomer of the Yerkes observatory, who will orientate the building with the stars. The observatory is being built by the University of Texas and the University of Chicago.

Miss Katherine Buford, formerly of the Valley, is now with her uncle, C. N. Green and wife. She has entered Yoe High for this term and will be with her uncle and family.

Change of Coaches at Texas A. and M.

Coach Homer Norton, hired

Coach Madison Bell, retired

The powers that be at Texas A. and M. college, College Station Texas, have announced that Coach Madison Bell, who came to Texas A. and M. from T. C. U., Ft. Worth, is to be replaced. His successor is Coach Homer Norton of Centenary College, Shreveport, Louisiana, who has run up an impressive football record against Southwest Conference teams in the last several years. Texas A. and M.'s defeat at the hands of Centenary 20 to 0 early in the 1933 season is thought to have had much to do with Norton's selection.

Stop Getting Up Nights

Lax the Bladder With Juniper Oil, Buchu, Etc.

Drive out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves, etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days if not relieved of "getting up nights" go back and get your money. If you are bothered with backache or leg pains caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. New Cameron Drug Co. say BUKETS is a best seller.

Miss Dale Ford Becomes Bride of Frank Cheeves in Home Wedding At Baileyville Sunday, November 19th

A wedding of unusual interest on the social calendar, and to many friends over the state, was solemnized Sunday morning, November 20 at 10 o'clock when Miss Dale Ford and Mr. Frank Cheeves were married at the home of the bride's parents, Mr. and Mrs. Thelston A. Ford of Baileyville, Rev. O. C. Acrey, pastor of the First Presbyterian church in Cameron, reading the ring ceremony.

The wedding music was given by Miss Mary Toland of Kosse. The couple entered unattended and took their places in the midst of a lovely floral decorated improvised altar where chrysanthemums and ferns were featured, and plighted their vows.

The bride was dressed in russet brown crepe gown of late model with matching accessories, and carried an arm bouquet of Tallisman roses. Miss Ford is a charming young woman and after completing her high school studies she attended school at San Marcos and was deservedly popular on the campus with a large circle of friends and is a general favorite with all who know her.

The bridegroom is the only son of Mrs. S. W. Cheeves of Cameron, is a graduate of Yoe High school and attended State University at Austin. For the past few years he has been connected with the large mercantile stores of Cheeves Brothers at Cameron and McKinney, and makes his home in Cameron, where he is universally popular with a large circle of friends. He is a young man of splendid business ability. After a wedding trip of a few days to Mexico, they will be at home in Cameron, and for the present will be in the home of his mother on North Travis Street.

Relatives present at the wedding were Mrs. S. W. Cheeves, mother of the groom, Miss Carolyn Cheeves, of Cameron, sister of the groom, Mrs. Alice Crawford, Mrs. Eugene Hansen, Jr., of Dallas; Mr. and Mrs. E. C. Johnson of Temple; Mrs. Wallace Frazier of Wichita Falls; Mr. and Mrs. Henry Lee Whitman and daughter, Miss Dorothy Whitman, Mrs. Alexe Sampson, Mrs. Davis Gurley, Mrs. Lucille McClendon of Waco; Mr. and Mrs. C. N. Green, Mr. and Mrs. Charlie Frank Green, Mr. and Mrs. R. H. McIntosh and Mr. and Mrs. Giles Avriett of Cameron.

BUSINESS WOMEN

A social program was enjoyed by the Business and Professional Women's Club Tuesday evening at the club rooms. Mrs. Lottie Bigbee was hostess with Mrs. J. B. White, Mrs. Gladys Watson and Mrs. Cora Cammer in charge of the program. Mrs. Hallie Glass, vice-president acted as president. Club songs with Mrs. Glass as leader, Miss Katherine Robbins at the piano, were enjoyed with a fun fest program following. Later the hostess served sandwiches and punch.

Beautiful Year Books were handed out by the Program Chairman, Miss Leila Woolley, who presented the club with the books, the work of the Herald Publishing Company.

Next meeting will be December 5th, followed with their annual Christmas party December 19th.

YOUNG PEOPLE CELEBRATE

A party was enjoyed by the young people of the Y. P. C. A. Tuesday evening, meeting in the basement of the Methodist church, with the pastor, Rev. W. L. Cannan bringing the devotional. Later groups were formed with captains who were commanded to go out and find articles named, and were just given one hour to return and bring the named articles. Among them were also given names of city officials to be kidnapped and brought in. The names of officials who were successfully kidnapped were Dan Tyson, B. P. Matocha, Fred Jackson, Judge Graham Gillis and B. Slocomb. After answering roll call, speech making, the officials were turned loose. Winners who returned with all articles or individuals received a box of mints which were opened and passed after the guests had been served sandwiches and hot chocolate.

The Club voted to send a gift to their former organizers and sponsors, Rev. and Mrs. Ed Mace of Austin, who celebrated their first wedding anniversary this month in Austin.

GOOD CHEER BRIDGE CLUB

Mrs. R. E. Sharpe was hostess to the Good Cheer Bridge Club at her home. A Thanksgiving motif was featured in the decorations and was attractively carried out in all appointments.

Highest score was made by Mrs. Walter Sharpe, and Mrs. Bob Terry made second highest.

The hostess regaled her guests with a salad course with coffee.

CLOVER CONTRACT BRIDGE PARTY

Mrs. Lester Williams was hostess to the Clover Contract Bridge Club at her home. A Thanksgiving motif was noted in the decorations and was attractively carried out in game accessories. Fall roses and other fall flowers with berries were used thoughout the reception rooms.

Merry games held interest for a season, when Mrs. Penn Wolf made highest score for members and Mrs. Patillo made highest for guests, both receiving potted begonias.

The hostess was assisted by Mrs. Patillo in serving a salad course with drink.

Other than Club members present were: Mrs. W. H. Baskin, Mrs. Henry Patillo and Mrs. Phillip Reid.

FRIDAY BRIDGE CLUB

The party given by Mrs. J. M. Ralston at her home was in keeping with all her entertainments, when she was hostess to the Friday bridge club. The reception rooms were attractive with bouquets of cut flowers in various hues.

Highest score went to Mrs. Ed Taylor and Mrs. Giles L. Avriett.

The hostess served a two course menu to the members and guest, Mrs. J. C. Martin.

GIRL SCOUTS

Mrs. Arthur E. Kruse and Mrs. La Bertice Robinson have been recognized officially as Captain and Lieutenant of the local Girl Scouts by National Headquarters in New York City.

The Club was organized in June at the City Park with eleven members: Viola Thomas, Mary Ellen Cottle, Margaret Martin, Dorothy Gohmert, Winnelle Kidd, Mary Anne Green, Caroline Chambers, Dorothy Perkins, Billie Marek, Jessie Lay Dinkins, Ruth Dinkins as charter members. It has grown until now they have a membership of thirty-two, and have two lieutenants, Mrs. William Harsha and Miss Ida Margaret Smith. A copy of the Girl Scout Promise, Laws and Motto have been placed in the hands of each girl, and all have been grouped by patrol leaders who are spokesmen in the Court of Honor.

When Casper Galloped 105 Yards for T. C. U. Score

He's already left 'em! Look at that boy go! Charlie Casper wrote his name in the Southwest Conference Hall of Fame Saturday when he received a Longhorn kickoff five yards behind his own goal line, reversed his field twice, passed the last Texas man near the 50-yard marker, and crossed the Texas goal unmolested for a 105-yard T. C. U. touchdown. He is pictured above near the end of his great run. Texas never quite recovered from the blow and T. C. U. won the game, 36 to 0.

MARRIAGE ANNOUNCED BY CAMERON COUPLE

Announcement of the marriage of Miss Marguerite Ford and Dr. Fielding Burnes Bever of Cameron was made on Friday evening, and came as a surprise to friends.

Dr. and Mrs. Bever were married in Waco on Saturday, Nov. 4.

Mrs. Bever is the daughter of Mr. and Mrs. W. C. Ford of Cameron, She graduated from the Yoe High school where she was quite popular. She later attended Daniel Baker college, Brownwood, but for the past several years has been employed in the office of the Milam county tax collector.

Dr. Bever, a dentist, is a member of one of the prominent pioneer families of this city. He is the son of Mr. and Mrs. F. B. Bever of this city.

Dr. and Mrs. Bever will make their home in Cameron.

ENTERTAIN FOR PASTOR

Fall foliage and ferns were used throughout the basement of the Methodist church when the Missionary women entertained for their new pastor, Rev. Walter L. Cannan and family Thursday evening.

Mrs. Bob Terry presented the honor guests.

Two punch bowls rested in nests of pretty autumn leaves or tables at attractive points and were presided over by Mrs. Jack Eakers and Mrs. La Bertice Robinson. Mrs. Robert Stedman and Mrs. Lester Williams presided at another bowl, and served ice punch and cookies.

Readings and music provided a program given by the younger set of the church. A large numebr gathered to meet their new pastor and family, Rev. and Mrs. Cannan, a son who is in high school and a daughter.

THURSDAY EVENING BRIDGE CLUB

Featuring a Thanksgiving theme in all appointments, Mrs. W. B. Levy entertained with a thanksgiving dinner, followed with bridge at her home on East 13th street Thursday evening when guests found their places by Thanksgiving turkey cards at the dining table laid for eight covers. Pretty china, silverware and dainty dishes where the table was centered with handsome yellow chrysanthemums and fall yellow burning tapers lent charm to the scene, where guests enjoyed true southern hospitality. This was followed with merry games for a season when Mrs. Claude Triggs was winner of highest score for women and high score for men was captured by B. F. Robinson.

The Club will meet next Thursday evening with Mrs. B. F. Bonds.

Those present for the delightful occasion were: Mr. and Mrs. Claude Triggs, Mr. and Mrs. B. F. Robinson, Mr. and Mrs. B. F. Bonds and Mr. and Mrs. W. B. Levy.
